SKILLS SUMMARY

- **Programming Languages :** Python ,C ,C++ ,Javascript , SQL
- **Skills :** HTML, CSS, Django, Bootstrap, React.js, Redux, Django Rest framework, Docker, Celery
- **OS :** Windows, Linux
- **Others:** Data Structures and Algorithms, Database Management System, Object Oriented Programming, Web Development, Powershell, MVC, Code debugging, REST APIs,
- **Version Control :** Git and Github
- **IDE :** Visual Studio Code
- **Soft Skills :** Teamwork, Communication, Problem Solving, Leadership

PROJECTS

- **Mark's Pizzeria:**
 - Web application named "Mark's Pizzeria" that focuses on pizza-related services.
 - Implemented authentication features to enhance user security and personalize the experience.
 - Integrated email verification to ensure a secure and verified user registration process.
 - HTML, CSS, JavaScript for the responsive and visually appealing front-end.
 - Django framework for efficient back-end development and server-side logic.
 - jQuery for enhanced client-side interactivity.
 - Implemented Razorpay API integration on "Mark's Pizzeria" website, enabling seamless and secure online payment transactions for users
- **Notes Application:**
 - Demonstrated proficiency in React.js to design and develop a dynamic and user-friendly frontend.
 - Utilized Django and Django Rest Framework to establish a secure and efficient RESTful API.
 - Ensured seamless communication between the frontend and backend components of the application.
- **Portfolio website:**
 - Leveraged React.js for the development of a dynamic and interactive user interface.
 - Implemented Material-UI components to ensure a cohesive and visually appealing user experience.
 - Integrated the EmailJS API to streamline the feedback process.
 - The application has been containerized using Docker.

EDUCATION

- **Sapthagiri College of Engineering, Bangalore:**
B.E (Computer Science And Engineering) - CGPA : 7.68 August 2019 - June 2023
- **Happy Valley School, Bihar:**
12th Percentage : 70.4 2019
- **Mount Assisi School, Bihar:**
10th Percentage : 91 2016

NOTABLE ACHIEVEMENTS

- Achieved an Elite level NPTEL "Programming, Data Structures and Algorithms Using Python" certificate with a score of 80%.
- Earned an SQL Intermediate certificate from Hackerrank, showcasing practical proficiency.
- Demonstrated problem-solving mastery by solving 250+ quality problems on platforms like LeetCode and GeeksforGeeks.
